

**Publisher's note:**

The Journal Record is proud to launch our inaugural *Tulsa's Fast 40* event that recognizes the achievements of the fastest-growing privately owned businesses in the Tulsa metropolitan area. These businesses have found creative ways to not only survive, but to thrive and GROW in today's economic climate.

The companies making the inaugural list of *Tulsa's Fast 40* represent many sectors of the economy, including energy, technology and health care as well as companies offering a wide range of services from babysitting to digital forensics. Each company demonstrated an increase in revenues from 2008 to 2010. Some of the growth reported is absolutely remarkable.

This magazine features profiles on the top five companies as well as bullet-point information on the remaining list of honorees. We hope you'll enjoy reading about their success and will be thinking of those who should be on the list in future years.

Special thanks to our sponsors: Bank of Oklahoma, Cox Business, Ernst & Young and McAfee & Taft, and to our presenting sponsor, the Tulsa Metro Chamber.
