### **Tulsa Business Named One of America's Fastest-Growing Companies** *Integrated Business Technologies honored with Inc. 500I5000 Award*

TULSA, Okla. – Broken Arrow-based [Integrated Business Technologies](#) (IBT) today announced it has been named one of the fastest-growing privately held companies in America by [Inc. Magazine](#). IBT ranks 1,137 of 5,000 on the 2012 Inc. 500I5000 list.

Since launching in 2007, IBT has experienced consecutive years of substantial revenue growth. IBT has grown 501 percent to date and increased its staff from two employees in 2007 to 26 in August 2012.

“As a Broken Arrow-based company, we take great pride in representing Oklahoma on a national level,” said Eric Kehmeier, IBT president and co-founder. “While we are a values-driven business that anticipates continued growth, our ultimate goal is to be a customer service-oriented IT solutions company that exceeds our clients’ expectations and technology needs.”

As an Inc. 500I5000 business, IBT joins the ranks of past honorees, including Microsoft, Timberland, Vizio, Intuit, Jamba Juice, Oracle and Zappos.com.

“We are excited and proud that a Broken Arrow-based business has been selected for this honor,” said Wes Smithwick, Broken Arrow Chamber president and chief executive officer. “IBT epitomizes the entrepreneurial spirit found throughout our community and we extend our sincerest congratulations to Eric and the IBT team.”

In 2011, IBT was ranked No. 7 on Tulsa’s Fast 40 list, which recognizes Tulsa’s fastest growing privately held companies.

IBT is a complete IT service company assisting small- and medium-sized businesses with technology planning, procurement, infrastructure solutions, and server and desktop support. Since 2007, IBT’s goal has been helping businesses get the most out of their technologies. For more information, visit [www.ibtsupport.com](http://www.ibtsupport.com).
